

The Young Decision Makers Project Model

Young Decision Makers (YDM)

Project: *Influence in Action*

Discussing

- Space for exploring the research and communicating ideas to each other in training.

Deciding

- Each influencer decides what's important and how they want to share it.

CHILDREN AND YOUTH CONSTITUENCY BUILDING

- Students in schools identify peer influencers through survey.

Informing

- Peer influencers share learning with peers.
- Report back to facilitators.

Studying

- Looking at research from our experience, others experience and science.

WIDESPREAD PARTICIPATION

Actions Identified

- **INITIATOR:** Peer Influencers come to training.
- **ONGOING:** Positive results means program continuing next year.
