*[Ice Cube]*

You looking at the grand wizard, warlord vocal chord so vicious

And I don't have to show riches to pull up pull off with some bad bitches

And it ain't about chivalry

It's about dope lyrics and delivery

It's about my persona ain't nothing like a man that can do what he wanna

Ain't nothing like man on that you knew on the corner

See 'em come up and f--k up the owner

See 'em throw up Westside California

N---- I'm hot as Phoenix Arizona

I'm utah I got multiple bitches

It's a new law keep a hold of yo riches

Dumb n---- don't spend it as soon as you get it

And recognize I'm a captain and you a lieutenant

*[Chorus 1]*

I can say what I want to say ain't nothin' to it gangsta rap made me do it

If I call you a n---- ain't nothin' to it gangsta rap made me do it

If I eat you like a cannibal ain't nothin' to it gangsta rap made me do it

*[Ice Cube]*

I'm raw as a dirty needle

Choke an eagle

Just to feed all my people

Lyrically I'm so lethal

Plant thoughts in they mind just to defeat you  
Ice Cube is a saga y'all spit saliva  
And I spit lava

*[Chorus 2]*

If I call you a nappy headed ho ain't nothin to it gangsta rap made me do it  
If I shoot up your college ain't nothin' to it gangsta rap made me do it  
If I rob you of knowledge ain't nothin' to it gangsta rap made me do it

*[Ice Cube]*

Thank God when I bless the mic  
You finally get to hear the shit that you like  
A n---- talkin' 'bout real life so you can try to get this shit right  
Use your brain not your back use your brain not a gat  
It's a party not a jack (for real)  
Don't be scared of them people  
Walk up in there and show them that you equal (f--k them f--k them)  
Don't be material a n---- grew up on milk and cereal  
I never forgot vaness and imperial  
Look at my life Ice Cube is a miracle  
It could be you if you was this lyrical  
It could be her if she was this spiritual  
Cuz me and Allah go back like cronies  
I don't got to be fake cause he is my homie

*[Chorus 3]*

If I sell a liitle crack ain't nothin' to it gangsta rap made me do it  
If I die and I rap ain't nothin' to it gangsta rap made me do it
